## Tap & Map Sound Boxes

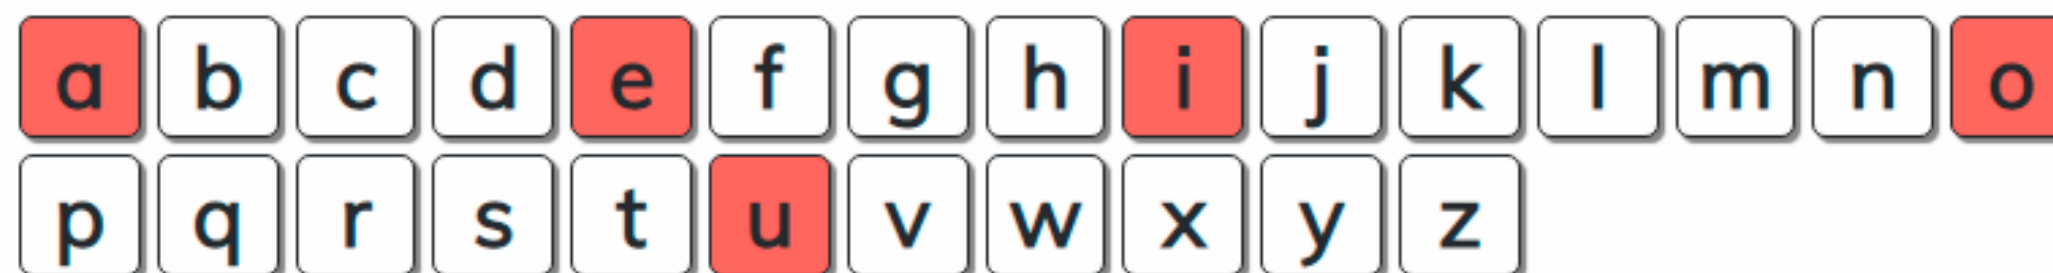

**Script:** I will say a word from the lesson. First, tap a circle as you say each sound in the word. Next, tap a letter and then the plus sign to map the letter(s) to the corresponding sound boxes.

### Changes

- vowel tiles #ff625b, consonant tiles #ffffff.
- initialize the balls with 3 colors (00aabe, ff625b, f5cf62)
- color options: #00aabe, #ff625b, #f39d66, #f5cf62, #a7d163
- Remove the replace icon and functionality
- remove the instructions and add the script (including a tooltip with the list of lesson words)
