

Tad Can Dab

Mat is a dad.

Tad is a lad.

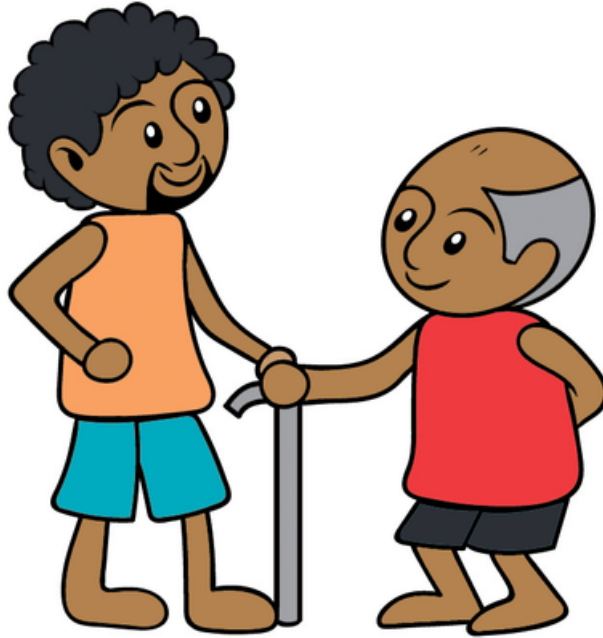

Tad has a dad.
His dad is Mat.

Tad is rad.
Tad can dab.

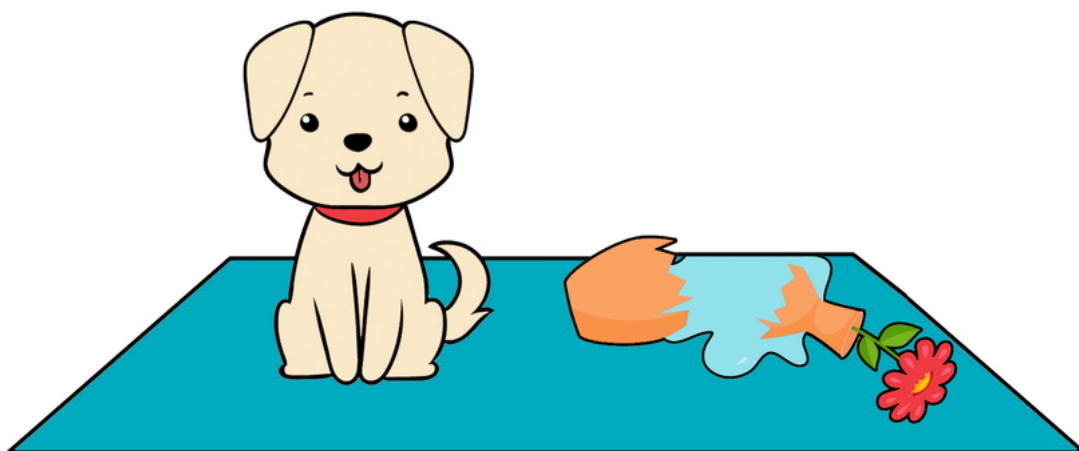

Tad and his
dad can dab.

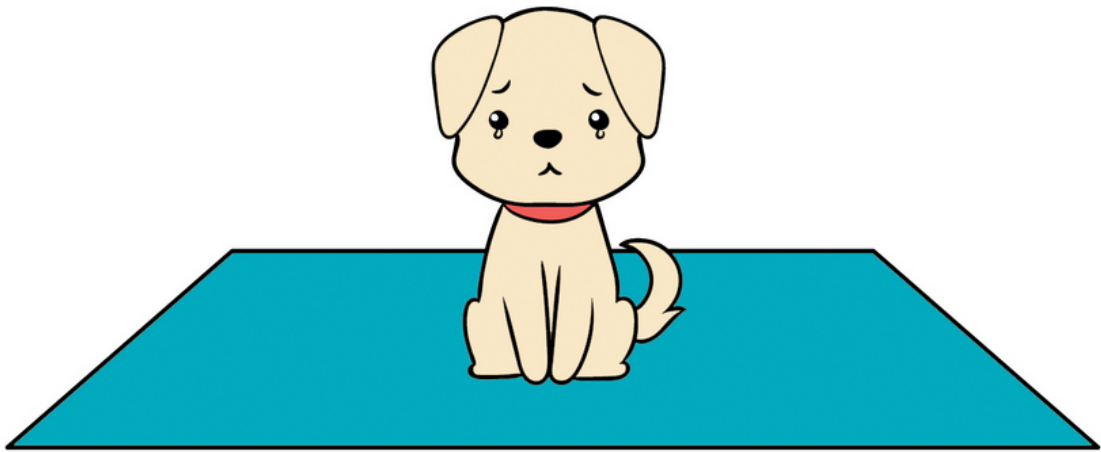

Mat has a dad.
His dad is Pap.

Pap can dab.
Is it a bad dab?

Tad has a lab.
Is the lab bad?

The sad lab
sat on the pad.

Tad can pat the lab.
The lab is not bad.

Mat, Tad, and
the lab can dab.
