

Kat and Pap

Kat can rap.
Pap can rap.

Kat and Pap
can rap and rap.

Kat can tap.

Tap, tap, tap.

Can Pap tap?

Pap can not tap.

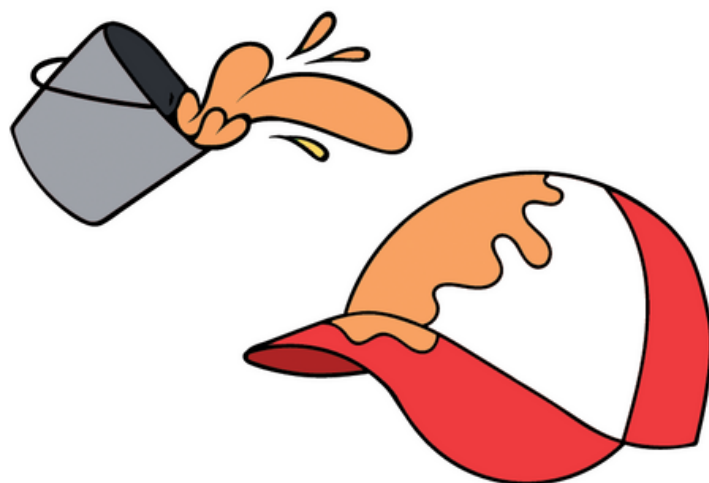

Pap sat on the
mat to nap.

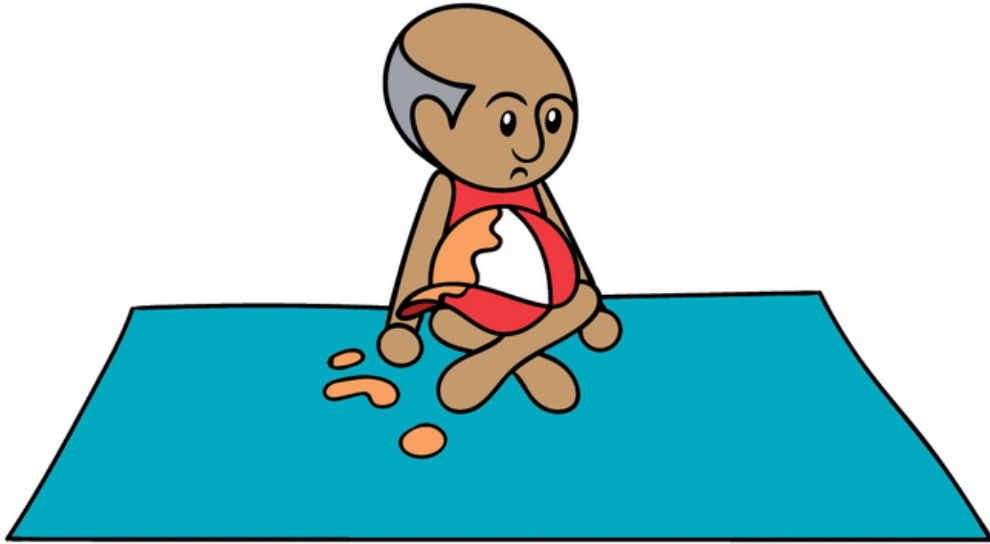

Kat has a vat of sap.

Can Kat tap
with the vat?

No. Sap is
on Pap's cap.

Sap is on his
lap and mat.

Kat can not tap
with a vat of sap.
